L.E.D. T.

The Lula Elzy Dance Theatre is one of New Orleans' most exciting and innovative dance
 companies. It is the blending of the arts that goes to the heart of L.E.D.T. Founded in
 1991 by Artistic Director, Lula Elzy, the company strives to present a multi-cultural
 interpretation of dance and music to create innovative new works and has collaborated
 with many jazz musicians, composers, playwrights and vocalists. Its goal is to personal-
 ize cultural awareness and social development to create new dances and the new dancer
 - an artist committed to the beauty of the dance - a messenger of the music.
